

Annex 1. – Group B**TOPICS OF VI POLISH INTERNATIONAL FLORISTIC CHAMPIONSHIP
POZNAN 2010**

<i>Task 1</i>	
Time	120 min.
Task	Floristic table decoration "Meeting with the Master".
Theme	"Meeting with the Master" - table decoration.
Description	Participant has to prepare a table decoration, giving mood and character of the meeting with the Master, who is a contemporary person or somebody from the past, who is important for participant.
Shape	At participants choice. The size of the table together with arrangement is maximum 1,2 m x 1,2 m. The minimum size and minimum and maximum height of decoration are unlimited. The whole construction and decoration has to allow the consumption of the meal by 2 people. Floral material has to dominate over construction.
Technique	At participants choice.
Material	Material is optional. The table and other materials should be provided by participant according to his/her own conception. Each participant has to prepare construction elements just before competition. Floral elements are not allowed in the construction.
Exposition	The task is realized directly at the stand. Each participant should provide the proper lightening of his/her work. A short information about the Master should be prepared and displayed next to the work.

<i>Task 2</i>	
Time	60 min.
Task	Bouquet/decoration for the bride.
Theme	Wedding bouquet/ decoration for the young avant-garde women.
Description	At participants own choice.
Shape	The bouquet or the bride's decoration has to be arranged so that the bride can hold it or fasten to her arm/hand. The form, design, colors and technique of the bouquet/decoration as well as the choice of greeneries and other materials are up to participant.
Technique	At participants choice.
Material	Participants provide all the materials according to his/her own choice. Technical preparation of plant material and other elements like waxing, wiring, taping etc. would be possible before the competition at the time given. Elements of construction without plant materials could be done earlier at the time allowed for preparation.
Exposition	The flower arrangement is made at the stand. Each participant should provide a holder or pedestal for the bouquet for exposition purposes. The basis will not be judged. The drawing or picture of wedding dress should be placed at the stage.

Task 3

Time	45 min.
Task	Surprise.
Theme	-
Description	Each participant would be given the same set of materials: flowers, greenery and other elements. The theme will be known just before the beginning of the task. Participants have 10 minutes for “familiarize with” their material. For the final work the use of some materials -indicated by organizers will be obligatory. Participants could use all the material given or only a part of it. Except “obligatory products”, it is not necessary to use all assortments or the whole quantity of each material.
Shape	At participants choice.
Technique	At participants choice.
Material	Except of material being provided by organizers, no other elements are allowed. Participants can use their own tools but glue guns are not permitted.
Exposition	The Work will be carrying out at the place fixed by organizers and will be exhibited at the Position Contest as well.
